NO. 291.

FINANCIAL CONDITION OF THE DISTRICT.

An Offical Statement of Our Resources and Liabilities.

Appropriations and Expenditures Since the Organization of the New Government.

A HIGHLY SATISFACTORY SHOWING.

THE BONDED DEBT WITHIN THE LEGAL LIMIT.

Tabular Statements--Important Statistics--Details of the Financial Transactions.

FULL RECAPITULATION OF OUR FINANCIAL HISTORY.

Food for the Enemies of Progressive Government.

In the annexed tables will be found a full collection of the District of Columbia, to which the closest scratured of the manuscript control country in regard to our local administration during the last two years.

The attacks upon the new District government began about the time that the Libertal Republican conspiring was formed—sense twenty months age. It was part and piece district, and the proposed of the construction of production, and obring kinds disreption with the people. In convictin of dishonesty and corruption, and bring kinds disreption with the people. In convictin of dishonesty and corruption, and bring kinds disreption with the people. In convictin of dishonesty and corruption, and bring kinds disreption with the people. In convictin of dishonesty and corruption, and bring kinds disreption with the people. In convictin of dishonesty and corruption, and bring kinds disreption with the people. In convicting the capital proposed of the converse of the New York Commende and Schotz accused the Department of War discovered the New York Commende and Schotz accused the Department of War discovered the Compress by the ballot-look winders of Tanumany hall, was chosen to lead the world. Dans, who had hoped to entain his case by perjury and subornation of witnesses, the definition of the converse of the Co

of the journals printed outside of the Dis-rict that the sum total of our indebtedness ranges all the way from twenty to thirty mil-ilions of dollars. The official data presented below, and certified to by the proper account-ing officer of the government, show that the total bonded indebtedness of the District up to November 1, 1873, smounts to nine million nine hundred and hee thou-sand tree hundred and fifty-one dollars and eighteen cents, or less than one third the amount stated. This sum, be it remem-

sent to-fay to their standerers and de is unanwerable. We do not ask for the slightest favor. If they had done we shuld be the first to call for their pentr but the record stands, and it can blotted out. To-day Washington is front rank of American citles—one meet beautiful capitals in the world. taking the men who have helped to re-to her present position we know that resent the large majority of our citize tie progressive spirit of the country.

STATEMENT "A."
